Precautions to take when storing or handling

Temperatures should be kept between 50°F to 140°F to keep solution liquid and pumpable. Do not expose to fire. Store in a well-ventilated area. Do not allow to dry.

Directions for use

This product is a commercial fertilizer used as a plant food in agricultural plant production. For specific application rates follow the recommendation of a qualified individual or institution, such as, but not limited to, a certified crop advisor, agronomist, university crop extension publication, or apply according to recommendations in your approved nutrient management plan.

WARNING

Causes eye irritation. Wash hands, forearms, and face thoroughly after handling. IF IN EYES, rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If eye irritation persists, get medical attention.
